

Hi-land Acres Water & Sanitation
Minutes to Board Meeting

July 8, 2015

Call to Order: 7:17

Roll call: Chris Fretter & Susan Findling

Consultants: Xuehua Bai

Residents: Randy Ford

Consensus Agenda: No reports were submitted.

Resident comments and concerns:

Randy Ford was present at the board meeting to discuss his water bill. He had a leak in his sprinkler system which caused his bill to be \$298. He was concerned with the possible \$300 overage fee but we told him that fee doesn't exist anymore. He also wanted to negotiate his bill. We told him there were not enough board members to negotiate with and he would need to come back at the August meeting.

Old Business:

No old business.

New Business:

Mr. Bai updated on progress of grant money applications. Sewer connection blue prints are complete and he gave us copies. Also he gave us a estimate of the costs for the hook-up. He made notebooks that we can use for contractor bids. The energy impact grant needs to be complete by August 1st. Meeting was adjourned at 7:42
