

Hiland Acres Water & Sanitation District

Spring Newsletter

APRIL 1st, 2025

Spring is here and we will soon be into the summer watering season. We will need the residents to adhere to the watering restrictions starting June first. The even number house addresses will **water on** Monday, Wednesday and Friday and odd number addresses will **water on** Tuesday, Thursday, and Saturday. Hand watering is allowed on Sunday. Also, **there are no restrictions on water use for livestock**. The summer watering schedule applies from June 1st to September 30th.

A reminder to the residents, North Metro is very strict on what can be flushed down the toilet and we must have the residents adhere to these restrictions. Basically, nothing can be put through the system but regular household waste and toilet paper. Things we need to be the most careful of are female sanitary waste and flushable wipes which are not acceptable even though **the label** says they are flushable.

We are happy to Announce that you can now sign up to get **EMERGENCY ALERTS**. Please visit the website at www.hilandacreswater.org, scroll to Email and Text notifications, click on the link to sign up.

The Water Board meetings continue to be held at Jim Roos house at 15940 Elmira Street on the 3rd Thursday of the month at 7:00pm. Residents are welcome to attend these meetings. Also, we would like to remind the residents that the Hiland Acres website is up to date and contains the current treasurer's, secretary's, operation's reports, and pertinent resident information.

As a reminder, if you see a:

Blue Flag, please go to the website: www.hilandacreswater.org for an important message from the Board.

Red Flag, NO outside watering allowed except for livestock.

Happy Spring!

Hiland Acres Water Board
